# 2017 Schedule of prices, fees and subsidies

This Schedule details the 2017 NSW Skills List qualifications eligible for government subsidy under Smart and Skilled. The total price of each qualification, loadings to training providers where applicable and student fees in 2017 are listed.

The 2017 prices and fees are applicable to new students commencing their training in 2017. These prices and fees will apply throughout 2017.

For students who commenced training in 2015 or 2016 and continue to train in 2017, the 2015/2016 price and fee schedule applies.

Fees listed are for the full qualification. The training provider may spread the fee payable across the duration of the course. All providers will charge the same total student fee.

The total price of a qualification is the amount paid to the training provider. This price is made up of a government subsidy and a student fee.

$$\begin{array}{|c|} \hline \text{Student} \\ \text{fee} \\ \hline \end{array} + \begin{array}{|c|} \hline \text{Subsidy to} \\ \text{provider} \\ \hline \end{array} = \begin{array}{|c|} \hline \text{Qualification} \\ \text{price} \\ \hline \end{array}$$

Providers continue to receive loadings to meet the higher cost of training for disadvantaged students (needs loading – for Aboriginal students [15 per cent], students with a disability [15 per cent], long term unemployed [10 per cent]) and students in regional and remote areas (location loading).

A Smart and Skilled provider can claim a maximum of one location loading and one needs loading per student per commencement.

## Prices and fees for RPL

Prices will be adjusted for Recognition of Prior Learning (RPL) or Recognition of Current Competency (RCC) and credit transfer (CT).

Prices and fees calculators are available to Smart and Skilled Providers. They can advise students on fee adjustments due to RPL, RCC and CT.

## Further information

The requirements for the application and management of student fees are set out in the *Smart and Skilled Fee Administration Policy*.

This Schedule includes NSW Skills List qualifications eligible for government funding under Smart and Skilled in 2017 and the 2017 price for each qualification, student fees and loadings to RTOs where applicable. The Qualification Price is made up of the student fee and government subsidy to the provider. **Entitlement** qualifications include full qualifications at Certificate III and below, including Foundation Skills, all apprenticeships and selected traineeships. \* **Indicates Foundation Skills**. **Targeted Priority** qualifications include full qualifications at Certificate IV and above. The Schedule indicates where funded qualifications are offered as apprenticeships or traineeships. **"J" indicates a qualification which is eligible for a Jobs of Tomorrow Scholarship** ([smartandskilled.nsw.gov.au/for-students/scholarships/jobs-of-tomorrow-scholarships](http://smartandskilled.nsw.gov.au/for-students/scholarships/jobs-of-tomorrow-scholarships)). Fees are listed for a student's first post school qualification and for second and further qualifications. Students may be eligible for concession fees or exemption from fees. Concession fees are listed.

The Skills List is updated regularly and reviewed annually to meet the changing needs of industry. Training Package qualifications and vocational training orders for apprenticeships and traineeships are subject to update and review. Course titles and course codes may change or be replaced or superseded; these are marked in the column 'Previous Code' on the updated List. Please note that accredited courses may be subject to change once the accreditation period has expired. Training providers should enrol students in the new qualification once they have it on their scope. Providers must meet the requirements of the Australian Skills Quality Authority (ASQA) to update students' enrolment to the current qualification before the previous qualification's expiry date. For information refer to ASQA's General Direction on Learner Transition ([www.asqa.gov.au](http://www.asqa.gov.au)). Where qualifications are no longer on the 2017 List, current students can complete but new students will no longer be able to enrol in the qualification.

This Schedule includes NSW Skills List qualifications eligible for government funding under Smart and Skilled in 2017 and the 2017 price for each qualification, student fees and loadings to RTOs where applicable. The Qualification Price is made up of the student fee and government subsidy to the provider. **Entitlement** qualifications include full qualifications at Certificate III and below, including Foundation Skills, all apprenticeships and selected traineeships. \* **Indicates Foundation Skills**. **Targeted Priority** qualifications include full qualifications at Certificate IV and above. The Schedule indicates where funded qualifications are offered as apprenticeships or traineeships. **"J" indicates a qualification which is eligible for a Jobs of Tomorrow Scholarship** ([smartandskilled.nsw.gov.au/for-students/scholarships/jobs-of-tomorrow-scholarships](http://smartandskilled.nsw.gov.au/for-students/scholarships/jobs-of-tomorrow-scholarships)). Fees are listed for a student's first post school qualification and for second and further qualifications. Students may be eligible for concession fees or exemption from fees. Concession fees are listed.

The Skills List is updated regularly and reviewed annually to meet the changing needs of industry. Training Package qualifications and vocational training orders for apprenticeships and traineeships are subject to update and review. Course titles and course codes may change or be replaced or superseded; these are marked in the column 'Previous Code' on the updated List. Please note that accredited courses may be subject to change once the accreditation period has expired. Training providers should enrol students in the new qualification once they have it on their scope. Providers must meet the requirements of the Australian Skills Quality Authority (ASQA) to update students' enrolment to the current qualification before the previous qualification's expiry date. For information refer to ASQA's General Direction on Learner Transition ([www.asqa.gov.au](http://www.asqa.gov.au)). Where qualifications are no longer on the 2017 List, current students can complete but new students will no longer be able to enrol in the qualification.

This Schedule includes NSW Skills List qualifications eligible for government funding under Smart and Skilled in 2017 and the 2017 price for each qualification, student fees and loadings to RTOs where applicable. The Qualification Price is made up of the student fee and government subsidy to the provider. **Entitlement** qualifications include full qualifications at Certificate III and below, including Foundation Skills, all apprenticeships and selected traineeships. \* **Indicates Foundation Skills**. **Targeted Priority** qualifications include full qualifications at Certificate IV and above. The Schedule indicates where funded qualifications are offered as apprenticeships or traineeships. **"J"** indicates a qualification which is eligible for a **Jobs of Tomorrow Scholarship** ([smartandskilled.nsw.gov.au/for-students/scholarships/jobs-of-tomorrow-scholarships](http://smartandskilled.nsw.gov.au/for-students/scholarships/jobs-of-tomorrow-scholarships)). Fees are listed for a student's first post school qualification and for second and further qualifications. Students may be eligible for concession fees or exemption from fees. Concession fees are listed.

The Skills List is updated regularly and reviewed annually to meet the changing needs of industry. Training Package qualifications and vocational training orders for apprenticeships and traineeships are subject to update and review. Course titles and course codes may change or be replaced or superseded; these are marked in the column 'Previous Code' on the updated List. Please note that accredited courses may be subject to change once the accreditation period has expired. Training providers should enrol students in the new qualification once they have it on their scope. Providers must meet the requirements of the Australian Skills Quality Authority (ASQA) to update students' enrolment to the current qualification before the previous qualification's expiry date. For information refer to ASQA's General Direction on Learner Transition ([www.asqa.gov.au](http://www.asqa.gov.au)). Where qualifications are no longer on the 2017 List, current students can complete but new students will no longer be able to enrol in the qualification.

This Schedule includes NSW Skills List qualifications eligible for government funding under Smart and Skilled in 2017 and the 2017 price for each qualification, student fees and loadings to RTOs where applicable. The Qualification Price is made up of the student fee and government subsidy to the provider. **Entitlement** qualifications include full qualifications at Certificate III and below, including Foundation Skills, all apprenticeships and selected traineeships. \* **Indicates Foundation Skills**. **Targeted Priority** qualifications include full qualifications at Certificate IV and above. The Schedule indicates where funded qualifications are offered as apprenticeships or traineeships. **"J" indicates a qualification which is eligible for a Jobs of Tomorrow Scholarship** ([smartandskilled.nsw.gov.au/for-students/scholarships/jobs-of-tomorrow-scholarships](http://smartandskilled.nsw.gov.au/for-students/scholarships/jobs-of-tomorrow-scholarships)). Fees are listed for a student's first post school qualification and for second and further qualifications. Students may be eligible for concession fees or exemption from fees. Concession fees are listed.

The Skills List is updated regularly and reviewed annually to meet the changing needs of industry. Training Package qualifications and vocational training orders for apprenticeships and traineeships are subject to update and review. Course titles and course codes may change or be replaced or superseded; these are marked in the column 'Previous Code' on the updated List. Please note that accredited courses may be subject to change once the accreditation period has expired. Training providers should enrol students in the new qualification once they have it on their scope. Providers must meet the requirements of the Australian Skills Quality Authority (ASQA) to update students' enrolment to the current qualification before the previous qualification's expiry date. For information refer to ASQA's General Direction on Learner Transition ([www.asqa.gov.au](http://www.asqa.gov.au)). Where qualifications are no longer on the 2017 List, current students can complete but new students will no longer be able to enrol in the qualification.

This Schedule includes NSW Skills List qualifications eligible for government funding under Smart and Skilled in 2017 and the 2017 price for each qualification, student fees and loadings to RTOs where applicable. The Qualification Price is made up of the student fee and government subsidy to the provider. **Entitlement** qualifications include full qualifications at Certificate III and below, including Foundation Skills, all apprenticeships and selected traineeships. \* **Indicates Foundation Skills**. **Targeted Priority** qualifications include full qualifications at Certificate IV and above. The Schedule indicates where funded qualifications are offered as apprenticeships or traineeships. **"J"** indicates a qualification which is eligible for a **Jobs of Tomorrow Scholarship** ([smartandskilled.nsw.gov.au/for-students/scholarships/jobs-of-tomorrow-scholarships](http://smartandskilled.nsw.gov.au/for-students/scholarships/jobs-of-tomorrow-scholarships)). Fees are listed for a student's first post school qualification and for second and further qualifications. Students may be eligible for concession fees or exemption from fees. Concession fees are listed.

The Skills List is updated regularly and reviewed annually to meet the changing needs of industry. Training Package qualifications and vocational training orders for apprenticeships and traineeships are subject to update and review. Course titles and course codes may change or be replaced or superseded; these are marked in the column 'Previous Code' on the updated List. Please note that accredited courses may be subject to change once the accreditation period has expired. Training providers should enrol students in the new qualification once they have it on their scope. Providers must meet the requirements of the Australian Skills Quality Authority (ASQA) to update students' enrolment to the current qualification before the previous qualification's expiry date. For information refer to ASQA's General Direction on Learner Transition ([www.asqa.gov.au](http://www.asqa.gov.au)). Where qualifications are no longer on the 2017 List, current students can complete but new students will no longer be able to enrol in the qualification.

This Schedule includes NSW Skills List qualifications eligible for government funding under Smart and Skilled in 2017 and the 2017 price for each qualification, student fees and loadings to RTOs where applicable. The Qualification Price is made up of the student fee and government subsidy to the provider. **Entitlement** qualifications include full qualifications at Certificate III and below, including Foundation Skills, all apprenticeships and selected traineeships. \* **Indicates Foundation Skills**. **Targeted Priority** qualifications include full qualifications at Certificate IV and above. The Schedule indicates where funded qualifications are offered as apprenticeships or traineeships. **"J"** indicates a qualification which is eligible for a **Jobs of Tomorrow Scholarship** ([smartandskilled.nsw.gov.au/for-students/scholarships/jobs-of-tomorrow-scholarships](http://smartandskilled.nsw.gov.au/for-students/scholarships/jobs-of-tomorrow-scholarships)). Fees are listed for a student's first post school qualification and for second and further qualifications. Students may be eligible for concession fees or exemption from fees. Concession fees are listed.

The Skills List is updated regularly and reviewed annually to meet the changing needs of industry. Training Package qualifications and vocational training orders for apprenticeships and traineeships are subject to update and review. Course titles and course codes may change or be replaced or superseded; these are marked in the column 'Previous Code' on the updated List. Please note that accredited courses may be subject to change once the accreditation period has expired. Training providers should enrol students in the new qualification once they have it on their scope. Providers must meet the requirements of the Australian Skills Quality Authority (ASQA) to update students' enrolment to the current qualification before the previous qualification's expiry date. For information refer to ASQA's General Direction on Learner Transition ([www.asqa.gov.au](http://www.asqa.gov.au)). Where qualifications are no longer on the 2017 List, current students can complete but new students will no longer be able to enrol in the qualification.

This Schedule includes NSW Skills List qualifications eligible for government funding under Smart and Skilled in 2017 and the 2017 price for each qualification, student fees and loadings to RTOs where applicable. The Qualification Price is made up of the student fee and government subsidy to the provider. **Entitlement** qualifications include full qualifications at Certificate III and below, including Foundation Skills, all apprenticeships and selected traineeships. \* **Indicates Foundation Skills**. **Targeted Priority** qualifications include full qualifications at Certificate IV and above. The Schedule indicates where funded qualifications are offered as apprenticeships or traineeships. **"J" indicates a qualification which is eligible for a Jobs of Tomorrow Scholarship** ([smartandskilled.nsw.gov.au/for-students/scholarships/jobs-of-tomorrow-scholarships](http://smartandskilled.nsw.gov.au/for-students/scholarships/jobs-of-tomorrow-scholarships)). Fees are listed for a student's first post school qualification and for second and further qualifications. Students may be eligible for concession fees or exemption from fees. Concession fees are listed.

The Skills List is updated regularly and reviewed annually to meet the changing needs of industry. Training Package qualifications and vocational training orders for apprenticeships and traineeships are subject to update and review. Course titles and course codes may change or be replaced or superseded; these are marked in the column 'Previous Code' on the updated List. Please note that accredited courses may be subject to change once the accreditation period has expired. Training providers should enrol students in the new qualification once they have it on their scope. Providers must meet the requirements of the Australian Skills Quality Authority (ASQA) to update students' enrolment to the current qualification before the previous qualification's expiry date. For information refer to ASQA's General Direction on Learner Transition ([www.asqa.gov.au](http://www.asqa.gov.au)). Where qualifications are no longer on the 2017 List, current students can complete but new students will no longer be able to enrol in the qualification.

This Schedule includes NSW Skills List qualifications eligible for government funding under Smart and Skilled in 2017 and the 2017 price for each qualification, student fees and loadings to RTOs where applicable. The Qualification Price is made up of the student fee and government subsidy to the provider. **Entitlement** qualifications include full qualifications at Certificate III and below, including Foundation Skills, all apprenticeships and selected traineeships. \* **Indicates Foundation Skills**. **Targeted Priority** qualifications include full qualifications at Certificate IV and above. The Schedule indicates where funded qualifications are offered as apprenticeships or traineeships. **"J"** indicates a qualification which is eligible for a **Jobs of Tomorrow Scholarship** ([smartandskilled.nsw.gov.au/for-students/scholarships/jobs-of-tomorrow-scholarships](http://smartandskilled.nsw.gov.au/for-students/scholarships/jobs-of-tomorrow-scholarships)). Fees are listed for a student's first post school qualification and for second and further qualifications. Students may be eligible for concession fees or exemption from fees. Concession fees are listed.

The Skills List is updated regularly and reviewed annually to meet the changing needs of industry. Training Package qualifications and vocational training orders for apprenticeships and traineeships are subject to update and review. Course titles and course codes may change or be replaced or superseded; these are marked in the column 'Previous Code' on the updated List. Please note that accredited courses may be subject to change once the accreditation period has expired. Training providers should enrol students in the new qualification once they have it on their scope. Providers must meet the requirements of the Australian Skills Quality Authority (ASQA) to update students' enrolment to the current qualification before the previous qualification's expiry date. For information refer to ASQA's General Direction on Learner Transition ([www.asqa.gov.au](http://www.asqa.gov.au)). Where qualifications are no longer on the 2017 List, current students can complete but new students will no longer be able to enrol in the qualification.

This Schedule includes NSW Skills List qualifications eligible for government funding under Smart and Skilled in 2017 and the 2017 price for each qualification, student fees and loadings to RTOs where applicable. The Qualification Price is made up of the student fee and government subsidy to the provider. **Entitlement** qualifications include full qualifications at Certificate III and below, including Foundation Skills, all apprenticeships and selected traineeships. \* **Indicates Foundation Skills**. **Targeted Priority** qualifications include full qualifications at Certificate IV and above. The Schedule indicates where funded qualifications are offered as apprenticeships or traineeships. **"J"** indicates a qualification which is eligible for a **Jobs of Tomorrow Scholarship** ([smartandskilled.nsw.gov.au/for-students/scholarships/jobs-of-tomorrow-scholarships](http://smartandskilled.nsw.gov.au/for-students/scholarships/jobs-of-tomorrow-scholarships)). Fees are listed for a student's first post school qualification and for second and further qualifications. Students may be eligible for concession fees or exemption from fees. Concession fees are listed.

The Skills List is updated regularly and reviewed annually to meet the changing needs of industry. Training Package qualifications and vocational training orders for apprenticeships and traineeships are subject to update and review. Course titles and course codes may change or be replaced or superseded; these are marked in the column 'Previous Code' on the updated List. Please note that accredited courses may be subject to change once the accreditation period has expired. Training providers should enrol students in the new qualification once they have it on their scope. Providers must meet the requirements of the Australian Skills Quality Authority (ASQA) to update students' enrolment to the current qualification before the previous qualification's expiry date. For information refer to ASQA's General Direction on Learner Transition ([www.asqa.gov.au](http://www.asqa.gov.au)). Where qualifications are no longer on the 2017 List, current students can complete but new students will no longer be able to enrol in the qualification.
